Chess Federation Of Uruguay

Dear Sirs,

I express my personal gratitude for your support of my nomination for the FIDE President elections in Khanty-Mansyisk, Russia in September 2010. Your support is valuable not only for my campaign but also for our efforts in further developing FIDE's activities.

Due to the entrustment, granted by the Chess Federation of your country, I gained more confidence in the current strategy of the development of chess.

We still have much to do. I consider the main task on this high position to be the further unification of the whole chess world and the perfection of our favorite game.

Let me thank you again for support and promise in case of my reelection by the definite actions to come up the expectations of the chess society. I will do my best to make my activity a remarkable page in the history of FIDE.

With my sincere thanks,

Kirsan Ilyumzhinov
FIDE President
